BOB'S POCKET DUNGEON — RULES

You need: this booklet, a pencil, and any d6.

SETUP

- Bob starts floor 1 with 10 HP and 0 G.
- Biscuit the cat and Mishmish the parrot are his companions. Find Bob's hood to begin.

EACH TURN

1. Roll the d6.
2. Even (2/4/6): move orthogonally that many spaces.
3. Odd (1/3/5): move diagonally that many spaces.
4. Draw your path. Stop early OK. No crossing walls or leaving the grid.
5. Resolve everything your line crosses:
 - Monster + number: lose that many HP
 - Gold coin: gain 1 G
 - Chest (merchant): you may buy
 - Portal: jump to any empty cell
 - Stairs: descend to the next floor

HP & DEATH

- Track Starting → Ending HP/G on each floor.
- Carry Ending values to the next floor's Starting.
- If HP drops to 0 or below: mark a death, reset to 10 HP and 0 G, continue on the NEXT floor.
Biscuit and Mishmish drag Bob onward.

WIN

- Clear all floors → claim the relic & fill in stats.
